The Honorable Board of Commissioners
Housing Authority of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**APPROVE VIDEO SURVEILLANCE SYSTEMS MONITORING AND MAINTENANCE
CONTRACT FOR HOUSING DEVELOPMENTS WITHIN LOS ANGELES COUNTY
(ALL DISTRICTS) (3 VOTE)**

SUBJECT

Approval of this Contract will provide for the monthly monitoring and maintenance of the Housing Authority's current video surveillance systems located throughout the County of Los Angeles (County) at 14 housing developments. The Contract will also allow the Housing Authority to replace old equipment as it becomes unreliable or inoperable and to install new equipment as needed at housing developments throughout the County as crime situations shift and require visual surveillance.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the ongoing monitoring and maintenance of video surveillance systems is exempt from the California Environmental Quality Act (CEQA) as described herein, because the activities will not have the potential for causing a significant effect on the enforcement.
2. Approve and authorize the Acting Executive Director of the Housing Authority to execute a one-year Contract in the amount of \$56,565, to be effective upon Board approval, with West Beach Systems for the monitoring and maintenance of the Housing Authority's video surveillance equipment located throughout the County of Los Angeles at 14 housing developments that are owned or managed by the Housing Authority.

3. Authorize the Acting Executive Director to execute amendments to the one-year Contract, following approval as to form by County Counsel, to extend the time of performance for a maximum of two years, in one-year increments, at the cost of \$67,680 per year, using funds to be approved through the annual budget process.
4. Authorize the Acting Executive Director to execute amendments for any additional services up to \$85,000 over the term of the Contract, consisting of a \$10,000 U.S. Department of Justice Grant included in the Housing Authority's approved Fiscal Year 2008-2009 budget and \$75,000 in operating funds allocated by HUD to cover any unanticipated equipment failures and additional equipment needed to maintain the safety of residents at housing developments throughout the County.
5. Authorize the Acting Executive Director to incorporate up to \$75,000 in operating funds allocated by HUD into the Housing Authority's approved Fiscal Year 2008-2009 budget, for the purposes described above.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to enter into a one-year Contract to provide for the monitoring and maintenance of video surveillance equipment currently located throughout the County at 14 housing developments owned, or managed by the Housing Authority. The Contract will also allow the Housing Authority to replace old equipment, upgrade current equipment, and install additional cameras and Digital Video Recorders as needed at housing developments throughout the County as crime situations shift and require visual surveillance. This contract will allow the Housing Authority to continue to provide a safe living environment for residents at the housing developments by identifying criminal offenders and evidence to the sheriff and police departments.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The aggregate amount for all three years of the Contract, if fully extended, will be \$191,925 plus an additional \$85,000 to cover miscellaneous equipment replacement and system upgrades and additions for a total aggregate amount not to exceed \$276,925.

For the first year of services under the Contract, the Housing Authority will use a maximum aggregate of \$56,565, consisting of \$3,420 in operating funds for 1450 14th

Street in Santa Monica and \$53,145 in operating funds allocated by the U.S. Department of Housing and Urban Development (HUD) and included in the Housing Authority's approved Fiscal Year 2008-2009 budget.

After the first year, the Housing Authority may extend the Contract for an additional two years, in one-year increments, contingent upon availability of funds. If extended, compensation for the second and third years of the Contract will not exceed a maximum aggregate amount of \$67,680 for each year, using funds to be approved through the annual budget process.

The \$85,000 to cover miscellaneous equipment replacement and system upgrades and additions consists of a \$10,000 U.S. Department of Justice Grant included in the Housing Authority's approved Fiscal Year 2008-2009 budget and \$75,000 in operating funds allocated by HUD for the term of the Contract.

The cost of the first year of the Contract is less than that of the second and third year because the current surveillance systems at 6 of the 14 housing developments are still under warranty through January 2009. Therefore, there is a cost savings in the first year. For the second and third year, the Contract amount includes all costs associated with the ongoing maintenance and monitoring of video surveillance equipment, replacement of old equipment as it becomes unreliable or inoperable, upgrading of current equipment and installation of new surveillance equipment as needed at 14 housing developments.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The U.S. Department of Justice provided a grant to the Housing Authority in fiscal year 2004-2005 for the provision of video surveillance cameras and monitoring equipment for eight housing developments. Video surveillance cameras and monitoring equipment were installed at the following eight housing developments: Carmelitos, Harbor Hills, Nueva Maravilla, Palm Avenue, South Bay Gardens, Sundance Vista, Westknoll Apartments and West 107th Street Apartments.

Additionally, in response to reported criminal activity in April of 2006, a video surveillance and monitoring system was installed at the Orchard Arms housing development.

On March 26, 2007, the Housing Authority entered into a contract with West Beach Systems for the installation and warranted maintenance of additional video surveillance and monitoring equipment at the Harbor Hills housing development and five new

housing developments. These housing developments were Marina Manor, Herbert Apartments, Lancaster Homes, 109th Street Apartments and 14th Street Apartments.

All 14 video surveillance and monitoring systems have been linked to DSL lines which allow designated Housing Authority staff to remotely access video footage in response to any incident. The Housing Authority's Community Policing teams have been issued laptops with broadband cards which allow them to remotely access the surveillance systems from their offices or patrol vehicles. The video surveillance and monitoring systems have aided in criminal investigations and enabled staff and law enforcement to verify lease violations or criminal activity.

These services are being federally funded and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County. Instead, West Beach will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The Contract has been approved as to form by County Counsel and executed by West Beach Systems. On August 27, 2008, the Housing Commission recommended approval of the Contract award.

ENVIRONMENTAL DOCUMENTATION

Pursuant to Title 24 of the Code of Federal Regulations, Section 58.35 (a)(3)(ii), this action is excluded from the National Environmental Policy Act (NEPA) because it involves activities that will not alter existing environmental conditions. The action is exempt from the provisions of the CEQA pursuant to State CEQA Guidelines Section 15301 because it does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS

On March 19, 2008, the Housing Authority initiated an outreach to identify a contractor. Request for Proposal Notices were mailed to 123 contractors identified from the Housing Authority's vendor list. Advertisements also appeared in nine local newspapers and on the Housing Authority and County Websites. Fifty-eight proposal packages were distributed. Twenty-six contractors participated at a pre-proposal

meeting held on April 10, 2008.

On April 24, 2008, five proposals were received and formally opened. The proposal submitted by West Beach Systems was determined to be the lowest, most responsive bidder and is being recommended for the Contract award.

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT SERVICES

The award of this Contract will allow the Housing Authority to continue providing a safe living environment for residents at the 14 housing developments located throughout the County. Should the contract not be approved the current equipment will deteriorate and become useless and the crime rate at the housing developments will escalate again.

Respectfully submitted,

for WILLIAM K. HUANG
Acting Executive Director

The Contractor acknowledges that the Housing Authority has established a goal of ensuring that all individuals who benefit financially from the Housing Authority through a contract are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the taxpayers of the County of Los Angeles.

As required by Housing Authority Child Support Compliance Program and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall, during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or CSSD Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

Without limiting the rights and remedies available to Housing Authority under any other provision of this contract, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which Housing Authority may terminate this Contract pursuant to Paragraph 15 - "*TERMINATION FOR CAUSE*" and pursue debarment of Contractor, pursuant to Housing Authority Policy.

18. POST MOST WANTED DELINQUENT PARENTS LIST

The Contractor acknowledges that the County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. 32. CONTRACTOR RESPONSIBILITY AND DEBARMENT

- A. A responsible contractor is a contractor, consultant, vendor, or operating agency who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the Housing Authority, Housing Authority, and County to conduct business only with responsible contractors.
- B. The Contractor is hereby notified that if the Housing Authority acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the Housing Authority may, in addition to other remedies provided in the contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on Housing Authority contracts for a specified period of time, which generally will not to exceed five years but may exceed five years or be permanent if warranted by circumstances, and terminate any or all existing contracts the Contractor may have with the Housing Authority.
- C. The Housing Authority may debar a contractor, consultant, vendor or operating agency if the Board of Commissioners finds, in its discretion, that the contractor, consultant, vendor, or operating agency has done any of the following: (1) violated any term of a contract with the Housing Authority, Housing Authority, or County, or a nonprofit corporation created by the Housing Authority, Housing Authority, or County (2) committed any act or omission which negatively reflects on the its quality, fitness or capacity to perform a contract with the Commission, Housing Authority, or County or any other public entity, or a nonprofit corporation created by the Commission, Housing Authority, or County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the Commission, Housing Authority, County, or any other public entity.

- E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Housing Authority shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.

- F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contract Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
- G. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The Housing Authority may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the Housing Authority.

Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.
- The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- I. These terms shall also apply to subcontractors and subconsultants of County, Commission, or Housing Authority contractors, consultants, vendors and operating agencies.

33. COMPLIANCE WITH JURY SERVICE PROGRAM

- A. Unless the Contractor has demonstrated to the Housing Authority satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program or that Contractor qualifies for an exception to the Jury Service Program, Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

- B. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.
- C. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- D. The Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

34. ACCESS AND RETENTION OF RECORDS

The Contractor shall provide access to the Housing Authority, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

Upon execution of this Contract and during its term,

as appropriate, the Contractor shall, disclose in writing to the Housing Authority any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Housing Authority's interest and the interests of the third parties.

36. SEVERABILITY

In the event that any provision herein is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

37. INTERPRETATION

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

38. WAIVER

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

39. PATENT RIGHTS

The Housing Authority will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

40. COPYRIGHT

41. NOTICES

The Housing Authority shall provide the Contractor with notice of any injury or damage arising from or connected with services rendered pursuant to this Contract to the extent that Housing Authority has actual knowledge of such injury or damage. Housing Authority shall provide such notice within ten (10) days of receiving actual knowledge of such injury or damage.

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission/Housing Authority and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.canonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.
